## MESSAGE FROM THE PRINCIPAL :

Dear St. Mary's Families,

Term 2 has ended and we are glad to share all the growth and learning through the Progress Reports and Conferences. Thank you for supporting all our school events, fundraisers and programs. This all helps grow a strong educational experience for your children and strengthens our relationships with each other.

Spring is around the corner and with another 3 months left to go until summer, we have lots to get accomplished. This is a good time to set some goals and think about the time coming up and how to make the best of it. They can be school goals, hobby goals, or ways to relax and be stress-free.

Keeping healthy is important so keep in mind the 6 components to promote overall good well-being: *Physical Health, Mental, Emotional, Social, Spiritual, and Environmental.* Taking care of your body and mind is one of the best gifts you can give yourself and your family.

April will be a short month with a week off for Easter holidays. We hope you have time for special time with family and friends. We hope that your basket will be full of joy, love and peace.

Alleluia! Christ is Risen! Happy Easter!  
Mrs. Lana Klemetski
